INTEGRATED MANAGEMENT SYSTEM (IMS) POLICY

CAA Engineering Services is committed to providing high-quality project management and engineering services while ensuring a safe and healthy workplace and minimizing environmental impacts. Our Integrated Management System (IMS) is based on ISO 9001:2015 (Quality Management), ISO 45001:2018 (Occupational Health & Safety), and ISO 14001:2015 (Environmental Management).

OUR COMMITMENT
We are dedicated to:

- **Quality Excellence**: Delivering project management and engineering solutions that meet or exceed client expectations and comply with industry standards.

- **Health & Safety**: Ensuring a safe and healthy working environment by identifying hazards, managing risks, and preventing work-related injuries and illnesses.

- **Environmental Sustainability**: Reducing our environmental footprint by preventing pollution, conserving resources, and promoting sustainable practices.

- **Legal & Regulatory Compliance**: Adhering to all applicable laws, regulations, and contractual requirements.

- **Continuous Improvement**: Enhancing our IMS through regular reviews, stakeholder feedback, and innovative solutions.

IMPLEMENTATION & RESPONSIBILITIES
To achieve our IMS objectives:

- **Director** provides leadership, allocates resources, and ensures IMS effectiveness.

- **Employees & Contractors** comply with IMS policies and contribute to a culture of quality, safety, and sustainability.

- **Quality team** monitors performance, conducts audits, and drives continuous improvement.

This policy is communicated to all employees, contractors, and stakeholders and is reviewed periodically to ensure its relevance and effectiveness.
